Columbus went to sea.  
Broadens his experience  
as a merchant Marine.

1465  $\pm$  5

Pachacuti began rebuilding  
CUZCO on splendid stone foundations  
that had survived earthquake and  
war and today form the walls of  
churches, museums, hotels &  
restaurants

Across awesome river gorges  
he built plank-ferret bridges

1466 ± 5

Pachacuti's Quipu samayoc, his "rememberers" recorded information in quipus, knotted & colored string. Runners called chasquis sped quipu messages throughout the realm that expanded tenfold under Pachacuti's son (1471-1493).
